

# Vasario™

Standard Duty Cash Drawer Series

APG® CASH DRAWER

APG CASH DRAWER®

APG's Vasario standard duty cash drawers are truly best of class. Each member of the Vasario cash drawer family is competitively priced and includes features found in more expensive cash drawers.

Electronically activated Vasario cash drawers provide over one million cycles of trouble-free service and include a drawer compulsion switch at no additional charge.

Manually operated Vasario cash drawers provide over three hundred thousand convenient operations and are extremely cost effective for applications that require a manually activated solution.

- ☛ Two year warranty
- ☛ Lock conveniently located in center of drawer front
- ☛ Standard drawer compulsion switch
- ☛ Attractive and durable powder coat paint finish
- ☛ Durable steel construction with a roller bearing suspension system
- ☛ A variety of styles, sizes, colors, interfaces and till configurations

## Vasario™

The affordable standard duty  
cash drawer series from  
APG® Cash Drawer

**Build on a Solid Foundation®**

# 18.8" Wide Vasario™ Cash Drawers

The 1915 is the flagship of the Vasario series. Like all APG® cash drawers, it is truly a best of class product. It includes many features typically found in more expensive cash drawers and is the perfect solution for applications that can be addressed with a standard duty cash drawer. Choose from the available color, drawer front and interface options to suit your specific needs.

- ☛ Dual media slots
- ☛ Choice of stainless steel or painted front
- ☛ Four-function lock located conveniently in center of drawer front
- ☛ Drawer compulsion switch indicates closed AND latched
- ☛ MultiPRO® interface optimizes connectivity
- ☛ 18.8" wide x 15.1" long footprint matches popular competitive products
- ☛ Optional low cost till cover can be stored in the drawer
- ☛ Additional popular interfaces available

# 16" Wide Vasario™ Cash Drawers

The narrow footprint of the 1616 and 1618 Vasario cash drawers provides a compact foundation for smaller terminals. These are also excellent choices as original equipment bases for cash registers. The included MultiPRO® interface provides for easy configuration of these drawers to operate with popular receipt printers, cash registers and POS terminals. Choose the appropriate size, drawer front style, color, interface and till configuration to suit your specific requirements.

- ☛ Dual media slots
- ☛ Choice of stainless steel or painted front
- ☛ Four-function lock located conveniently in center of drawer front
- ☛ Drawer compulsion switch indicates closed AND latched
- ☛ MultiPRO® interface optimizes connectivity
- ☛ Dual currency till option available for multiple currency applications
- ☛ Additional popular interfaces available

# 14" Wide Vasario™ Cash Drawers

The 1416 Vasario models are the smallest of the Vasario cash drawer series. These sub-compact cash drawers are logical solutions for kiosk systems, credit authorization terminal bases, concession stand terminals and similar applications where space is at a premium. Despite the 1416's small size, its standard four-currency, five-coin compartment till provides ample capacity. The included MultiPRO® interface optimizes connectivity flexibility.

-  Choice of stainless steel or painted front
-  Drawer compulsion switch indicates closed AND latched
-  MultiPRO® interface optimizes connectivity
-  Additional popular interfaces available
